OUTDOOR CABINETS  
by DeSavino & SONS

*"Pride in Quality  
Craftsmanship"*

*Let us help you design  
your perfect outdoor  
living area*

*Open Air Outdoor Cabinetry by DeSavino & Sons are designed and manufactured to compliment nature's surroundings. Solid construction, yet beautiful sustainable marine grade polymer will weather any conditions mother nature delivers. Our exclusive cabinetry fits your lifestyle and offers wonderful color palate choices, styles and configurations to exceed any homeowners vision.*

- Solid ¾" thick High Density Polyethylene (HDPE) marine grade polymer with color throughout.
- UV stable which will prevent our cabinetry from fading due to harmful UV rays.
- Impermeable to moisture which won't develop any mildew.
- Easy to clean, just wash with soap and water when it gets dirty. HDPE is tough against stains, spills and splashes.
- Our maintenance free cabinetry is manufactured to retain a look as great as the day you bought it!
- Contains no natural wood material and is therefore safe from animals, bugs and any other harmful insects.
- Withstands temperatures of -60° up to 250°F+
- FDA approved for food contact
